## "THE LION KING " JUMPING CASTLE

### **Size**

6.0m x 6.0m - maximum load 480kg

Can be erected on grass or concrete, both needing at least a 6.0m x 7.0m area.

Please advise when ordering if the jumping castle is to be erected on concrete so we can bring sandbags - pegs do not go into concrete very well!

### **Cost**

\$220.00 per 4 hour hire, \$250.00 per 7 hour hire. (Hire based on operational time)

Plus Petrol Blower if required. (See next paragraph)

### **Power Requirements**

To operate our castles we need a standard 240V power point nearby.

Should this not be available eg. Council Parks, our petrol blower is available for hire - additional to castle hire.

Petrol Blower (if required) - \$50 per 4 hour hire or \$70 per 7 hour hire. (includes fuel )

### **Delivery Charges**

Free delivery within 30km of Regents Park/Browns Plains region

All other delivery charges to be quoted on by operators.

### **Payment Methods:**

Credit Card - YES, you can pay by Credit Card - send us your email address and we'll send you the secure link needed to make your credit card payment with online.

All other deliveries not prepaid are COD, thank you.
